A Drug and Alcohol Treatment Specialist Manager at SCI-Cambridge Springs. She began her career in the Department of Corrections in 2008 as a DATS and was promoted to DATS Manager in 2017. Rose was a high school dropout and single mother on welfare when she made some changes in her life and earned her GED, BA in Psychology and a MA in Rehabilitation Counseling. Due to her life circumstances, she was determined to be an advocate for women and children- her beliefs are that by sharing our life experiences, we can help others overcome adversities.
