Dear Ms. Pearson:

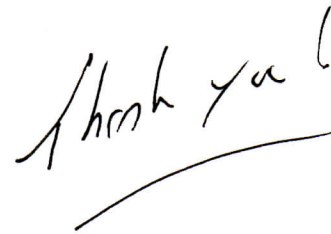

Thank you for the \$1,000 contribution from Middle Atlantic States Correctional Association (MASCA) to UMBC. Your support of the Shriver Center Choice Program is greatly appreciated.

You are giving youth living in Maryland's high-risk communities the resources they need to succeed. With your support, these youth have the opportunity to work with UMBC students to engage in job training, receive support through advocacy programs, and participate in mentoring relationships. Thank you for MASCA's investment in UMBC and the broader community.

Sincerely,

Greg Simmons '04
Vice President for Institutional Advancement
